The track is a rubberized composition and the **maximum length of spikes to be used is 1/4"**. Runways are a rubberized composition with the maximum length of spikes 1/4". Violation of spike use or length is disqualification from the event. This will be enforced. Note: No tape or chalk can be used for markings on runways or track.

Shot Put and Discus Circles are concrete, and spikes are not allowed. The throwing arcs will be 34.92 degrees in both shot put and discus.

The **1600 (4x400) Meter Relay** will be run with a 3-curve stagger with the #1's running in lanes all the way and the #2's running their first curve in lanes. (Some people refer to this as the J stagger.)
